RE: H-1B Petition for Arjun Kumarr — Senior Data Scientist

To the U.S. Citizenship and Immigration Services:

Northwind Analytics, Inc. respectfully submits this petition to employ **Arjun Kumarr** in the specialty-occupation position of **Senior Data Scientist** (SOC 15-2051) on a full-time basis at an annual salary of **\$142,000**.

Specialty occupation. The position requires the theoretical and practical application of a body of highly specialized knowledge and, at minimum, a Master's degree in Computer Science or a closely related field. The role's data-modeling and statistical-inference duties are of such complexity that they are associated with attainment of at least a master's degree in the field.

Beneficiary qualifications. The beneficiary holds a Master of Science in Computer Science, satisfying the minimum educational requirement for the position.

Respectfully submitted,

Daniel Okafor
VP, People Operations
Northwind Analytics, Inc.
