RE: H-1B Petition for Yangben Zhengjian — Data Engineer

To the U.S. Citizenship and Immigration Services:

Cascade Robotics, LLC respectfully submits this petition to employ **Yangben Zhengjian** in the specialty-occupation position of **Data Engineer** (SOC 15-1243) on a full-time basis at an annual salary of **\$138,000**.

Specialty occupation. The position requires the theoretical and practical application of a body of highly specialized knowledge and, at minimum, a Master's degree in Computer Engineering or a closely related field. The data-pipeline architecture and distributed-systems duties require specialized knowledge attained through a master's degree in computer engineering or a closely related field.

Beneficiary qualifications. The beneficiary holds a Master of Science in Computer Engineering, satisfying the minimum educational requirement for the position.

Respectfully submitted,

Marta Ruiz

Director of Talent

Cascade Robotics, LLC
